What our students are saying about us

"College Connections made sure I got in the door of the college I chose and helped me a lot."

"This class taught me things I didn't know before."

"We learned what it takes to be college ready."

"The college connections program helped me understand what I should do to pick and get into a good college."

"It was fun, helpful and educational."

"It helped me make everyday connections between school and life."

"I learned a lot that I didn't know before. I definitely feel more prepared going into college."

"It helped me realize exactly why college is a good thing."

"I will be the first in my family [to go to college], and this class has helped me understand the process."
